MEMORANDUM FOR: Director of Training  
THROUGH : Chief, FE/PEM  
SUBJECT : Marine Corps Request for Agency Lecture  
REFERENCE : [REDACTED]

25X1A

1. At the suggestion of Mr. Joe Malone, FSI, the U.S. Marine Corps Command and Staff College at Quantico, Virginia, have approached [REDACTED] for the services of an Agency guest lecturer to speak on 18 January 1973 on the subject of "The Agency in Counterinsurgency." The scope of the proposed lecture/question-and-answer period would include the Agency's role in preventing or defeating insurgencies and Agency counterinsurgency action overseas, with emphasis on the Country Team relationship.

25X1A

2. Approximately 130 officers at the major-lieutenant colonel level are enrolled in the C & S course, with security clearance through Top Secret. The foreign officers will be excused from the proposed, classified Agency presentation.

25X1A

3. With your concurrence and approval, [REDACTED] make the requested Agency presentation. He is very well qualified in the subject by virtue of his recent overseas assignments and already is well known among the US military as a responsible Agency officer.

25X1A

4. Your concurrence and approval are requested, in accordance with [REDACTED]

25X1A
